

MEMORANDUM FOR: Mr. Vladimir Iregelj
Economics Division
Legislative Reference Service
Library of Congress

SUBJECT : Transmittal of Papers for the JEC Volume on the
Economies of Eastern Europe

1. Transmitted herewith are the following papers for inclusion
in the volume on Eastern Europe to be published by the JEC:

Yugoslavia's New Economic Strategy: A Progress Report

Economic Efficiency in Eastern Europe

2. The final paper will be sent to you as soon as possible.
It is entitled:

Economic Growth in East Germany

3. As in the past, our papers are unclassified. It is our
understanding that although the individual reports will be attributed
to individual authors, their affiliation with the Agency will not be
indicated. However, the Agency will be listed among the other
contributors in the foreword of the compendium.

EDWARD L. ALLEN
Director
Economic Research

8 OCT 1969

MEMORANDUM FOR: Mr. Vladimir Pregelj
Economics Division
Legislative Reference Service
Library of Congress

SUBJECT : Transmittal of Contribution to Forthcoming Joint
Economic Committee Publication on the Soviet Economy

REFERENCE : Letter from Congressman Hale Boggs, Chairman
Subcommittee on Foreign Economic Policy, to
Mr. Richard C. Helms, Director, Central Intelligence
Agency, dated 31 March 1969

STATINTL 1. In response to Congressman Boggs' request to Mr. Helms, I am forwarding a contribution to the Committee's forthcoming publication on the Soviet economy. As had been previously confirmed with our coordinating officer, [REDACTED], the following 11 chapters have been prepared:

- a. The General Situation (Introductory Chapter to Current Trends in the Soviet Economy)
- b. Industrial Production
- c. Developments in the Agricultural Sector
- d. The Soviet Budget for 1969
- e. Developments in the Fuels Industries
- f. Recent Trends in the Foreign Trade of the USSR
- g. Freight Transportation
- h. Structure and Organization of Defense-Related Industries
- i. Soviet Economic Assistance to the Less Developed Countries
- j. Consumer Welfare
- k. Capital Investment

2. As in the past, our papers are unclassified. It is our understanding that no specific part of the report will be attributed to CIA but that the Agency will be listed with the other contributors in the foreword of the compendium.

3. If there are queries concerning the present contribution or if we can be of aid in other matters relating to the final preparation of the report, please contact Douglas Diamond (Code 143, Extension 5107).
